Tips to Increase Your Interview Success Rate	
Key Point	**Specific Actions**
Device Clarity	Test the camera and microphone in advance to ensure the image is not blurry and the audio has no lag.
Clean Background	Choose a white wall or bookshelf as the background; avoid having beds or clutter in the frame.
Formal Attire and Proper Demeanor	Wear a shirt or appropriate outerwear; maintain good posture; look at the camera.
Speak Without Reading a Script as Much as Possible	You may prepare an outline and place it next to the camera, but do not look down to read from a script.
Showcase Advantages from Multiple Dimensions	Proactively mention internships, Chinese proficiency, and competition experience.
